## **Quranic Sciences/ Unit 8 Quiz**

### ***(Scientific Miracles of Quran)***

**1. There is no contradiction in the Quran. How it attests that Quran is the word of God?**

Quran was revealed within 23 years, under numerous differing contexts and circumstances, yet its verses not only do not contradict but complete and explain each other. 'If it had been from other than Allah, they would surely have found in it many contradictions.' (Quran 4:82)

**2. How does the success of the Romans prove Quranic prophecy?**

After the defeat of Romans against Persians, Muslims got distressed because being Christians, Romans were close to them in the belief and on the other hand, the pagans thrilled of joy since Persians were fire-worshippers. In this context Allah revealed the beginning verses of Sura Rome and promised that within 9 years Roman will defeat Persians- and this prophecy of Quran came in true.

**3. Mention any 3 mathematical miracles of noble Quran?**

- The statement of "seven heavens" is repeated seven times.
- Yawm 365 times, Shahar 12
- Say: 332 time, They said: 332 times

**4. Earth is not flat and the moon's light is borrowed, which verses of Quran mention that and how you deduce that?**

Astronomy- Earth is not flat, but spherical (39:5, 79:30), Moon's light is reflected (10:5, 10:5). Please read the relevant pages of the book provided with.

**5. What we learn from the Chapter 4, Verse 56 and which faculty of science it belong to?**

Physiology - The sensation of skin pain. *'Those who reject our signs, We shall cast into the fire; as often as their skins are roasted through. We shall change them for fresh skins, that they may taste the punishment; for Allah is Exalted in power; Wise.'* (4:56).

Until recent discovery of anatomy it was commonly believed that the whole body is sensitive to pain, while 14 centuries ago Quran in the above verse indicated of this fact.
